Hello Everyone,

Officers Cirrito and Ashpaugh were out in the field today and encountered a resident at 300 S New Hampshire complaining about a big pile of bulky items/trash that looks like an abandoned encampment (photos attached). We're told it's been abandoned for a while.

I'm copying you all to see if any of your clean teams can assist with this in any way. Juan and Mike, I know this is just outside your areas (CD 13 and BID) but I'm including you just in case, since it's literally right on the border. If not, I think it will need to be put in for sanitation cleanup. I reported the area via 311 today.

Thanks,

Steve
